

Cel-Fi GO Optus – Trucker/4WD GME AT4705B Pack

POWERED BY
OPTUS

Brand: Cel-Fi
Product Code: RPR-CF-00248
Call for Price: 07 3277 0237

Description

Cel-Fi GO Repeater has been tested, authorised and approved by Optus for use on the Optus Mobile Network

We recommend this pack to get the maximum distance from a tower when you have an existing bull bar and you travel through remote flat countryside.

The Cel-Fi GO for Optus Australia Smart Repeater is the ideal product to boost and distribute a weak 3G/4G mobile signal in remote areas within your 4WD or Truck. Supporting voice and mobile internet for multiple mobile devices, dropped calls and slow internet are a thing of the past.

FEATURES

- Supports 3G (900) and 4G (700/1800) – however only one band at a time
- Designed for 4wd & Truck applications
- 100dB of system gain
- Includes external and internal antennas
- Locked to the Optus Mobile Network
- Carrier approved
