

Thuraya XT-PRO Satellite Phone

Brand: Thuraya
Product Code: XTPro
Call for Price: 07 3277 0237

Description

An advanced satellite phone with navigation, SOS and more.

Thuraya's XT-PRO is an advanced satellite phone and the first satellite phone on the market that features all three major navigation systems (GPS, Beidou and Glonass). Featuring an advanced colour display, this satellite handset comes with hardened Gorilla® glass to suit the harshest of environments. The screen is glare resistant, allowing optimal visibility in bright sunlight and a brightness sensor automatically adjusts the backlight of your display.

Satellite voice & SMS

Satellite data connectivity

Dedicated SOS button
