

## SPOT Gen 3

**Brand:** Spot  
**Product Code:** SPOT Gen 3

**Price:** \$239.00

### Description

**Critical, life-saving communication using 100% satellite technology.**

Always plan for the unexpected. The SPOT Gen3 gives you a critical, life-saving line of communication when you travel beyond the boundaries of mobile coverage. Let family and friends know you're OK or, if the worst should happen, send emergency responders your GPS location, all with the push of a button.

Wherever you go, track and share your adventure. SPOT Gen3 Satellite GPS Messenger works where mobile phones don't.

Product features and benefits include:

### Motion Activated Tracking

A vibration sensor tells your SPOT to send tracks only when you're moving, this is a battery saving feature.

### Enhanced Tracking

Upgrades available to Unlimited or Extreme Tracking. Choose your rate of tracking of 60, 30, 10, or 5 minutes with Unlimited Tracking, or down to 2.5 minutes with Extreme Tracking.

## **More Battery Options**

- 4 AAA 'off the shelf' Lithium Batteries
- 4 AAA 'off the shelf' NiMH rechargeable Batteries
- Line power with a 5v USB connection. (SPOT Gen 3 is not waterproof when line powered)

## **Basic Features**

Compact and easy to carry

Battery powered, no external power supply required

Supports "I'm OK" sked reports as well as SOS duress, help and custom messages

Increased frequency of reporting while in SOS or help mode

**Please note: use of satellite telecommunications services and devices may be prohibited or restricted in some countries.**
